

Oleg Klodt

Oleg Klodt & Anna Agapova. Architecture and Design by Oleg Klodt, Moscow, Russia. Bespoke interiors for residences and apartments in the luxury sector as well as projects for public buildings. Recent work includes an impressive home near Rublevskaya Highway, inspired by Soviet era Constructivism, a large Art Déco style apartment and a retail outlet for the French clothes company 'Loft design by...'. Current projects include numerous large family homes in Moscow, a new meat themed restaurant and a range of Oleg Klodt designer furniture. Design philosophy: understated, harmonious, eclectic.
